Contract Negotiations

Representing multiple orthopaedic subspecialty societies, the following members of the Fellowship Education Coalition authored this lecture:

James Holmes, MD, FAOA
Anthony Bratton, MD
Antonia F. Chen, MD, MBA
Drew A. Lansdown, MD
Brian R. Waterman, MD, FAOA

Special Thanks to Michael J. McCaslin, CPA of Somerset Advisors of Indianapolis for his thoughtful review and suggestions on this topic.

The Transition to Practice Lectures Series is produced by the American Orthopaedic Association (AOA) in collaboration with the Fellowship Education Coalition comprised of the following orthopaedic societies: AOA/CORD, AAHKS, AANA, AAOS, ABOS, ACGME, AOFAS, AOSSM, ASES, NASS, OTA and POSNA. ©2020 The American Orthopaedic Association
Transition to *What Environment?*

2018 Orthopaedic Census Report – AAOS
Overview

• **WHO** are you negotiating with?
• **WHAT** items are you negotiating?
• **HOW** does one go about this process?
• **WHERE** can I turn for help?
• **Fellow/Faculty Evaluation**
  - Use this survey to provide your feedback about this module.
Who...are you negotiating with?

Contracts vary with practice environments:

- Private practice
- Multispecialty group
- Hospital/health system
- Academic appointment
What ...items are you negotiating?

In the contract....

• Compensation formula
• Terms of employment
• Benefits
• Ancillary income opportunity
• Bonus (signing, initiation, moving, etc)
• Malpractice coverage
• Separation/ Termination

• On-Call obligations
• Call stipend
• Teaching stipend
• Clear path to partnership
• Research support
• Academic productivity metric
• Consulting/ Royalties
What *items are you negotiating?*

**Compensation formula**
- Yours vs Partners
- Additional $ with goals achieved?
- Penalty for shortfall?
- When did it last change and why?
- Ancillary income calculation?

**Overhead**
- How is it calculated?
- Fixed vs Variable

**Accounting**
- Charges vs Collections vs RVUs vs wRVU with multiplier vs blended

**Ancillary income**
- How and when is it allocated? Obligations? Buy in? Buy out?
Benefits

- **Specific options**
  - Health, dental insurance
  - Disability insurance
  - Life insurance
  - Retirement package
  - CME account
  - License and professional dues
  - Loan repayment
  - Vacation

- **Eligibility** – who and when

- **Administered by** the practice or 3\textsuperscript{rd} party
Ancillary Income Opportunities

• What are they at this job?
  o There may be restrictions from state to state
    ➢ “CON” states (certificate of need restrictions)
    o Real estate, Imaging, Therapy, Surgery Centers

• What is the buy-in?

• What is the buy-out?

• Are the terms the same for all physicians or are there special deals?
“Bonus”

• Sign on bonus
  o Payable when you sign or when you start?
  o What happens if either party terminates early?

• Educational loan payment
  o Same termination restrictions as above

• Moving expenses
  o Capped or Uncapped?
  o Same termination restrictions as above
Malpractice Insurance

• Amount
  o Reported as numbers, the first is the amount per claim per year and the second is the total amount per provider per year. (e.g. “1M/3M”)

• Structure

• “Tail” coverage if termination

While not spelled out in the contract it is important to understand how malpractice coverage works, who the insurer is and what their track record has been, any restriction in legal counsel, and the structure of the policy. Ultimately, this is very important to protect your personal financial assets.
Separation/Termination

• Rights and responsibilities

• Obligations
  o “Notice”, communication, patient notification, etc.

• Restrictive covenants

• Financial liability
  o Malpractice tail
  o Payback of “bonuses” etc.
  o Payback of any short fall (collections vs salary)
On-Call Obligations / Opportunities

• Hospital requirements – typically in bylaws
• # of Hospitals?
• “Group call” frequency – not ED, but for practice pts
• Frequency
• Stipend? Amount?
  o Independent or included in your salary?
• Expectations
  o Hand?, Spine?, Trauma orthopod trained support? That night or next day?
Miscellaneous

• Teaching stipend
• Royalties
• Consulting
• Legal work
  o Expert
  o IMEs
Not in contract
...but need transparency and clarity

- Patient access
- Patient distribution
- Work environment
- Marketing/promotional plan
- OR block time/implant limits
- On call expectations

- Ongoing negotiations?
- Strategic plan
- QA/QI program
- Governance structure
- Understand your environment
- What do they need from me?
Professional Path

Is Your Path Forward Outlined?

• Terms of Employment Agreement

• Pathway to Partnership
  o Clear criteria including timing
  o How is the decision made
  o Other promotional opportunities (hospital or group)

• Pathway to Promotion
  o Academic centers
  o Clinical vs tenure track
How...does one go about this process?

• Initiation
  o Starting the process

• Doing your homework/information sources

• Communication
  o Responsible, punctual

• Expectations on both sides
  o What are your expectations, timeframes, etc., and do they mesh with this employer?

• Understanding needs/leverage/expectations

• Obligations
Where ... can I turn for help?

- MGMA
- Mentors
- Accountants
- Attorneys
- Consultants
- Proprietary websites
- Written resources
  - *Getting to Yes* by Roger Fisher and William Ury
  - .... and many others
