

Dr. Henn is a board certified orthopaedic hand and upper extremity surgeon at MedStar Orthopaedic Institute and MedStar Georgetown University Hospital, and he is an associate professor in the Department of Orthopaedic Surgery at the Georgetown University School of Medicine. He serves as the Vice Chair of Quality and Safety for the MedStar Orthopaedic Institute in the Washington region. In this role, he oversees the quality and safety of 55+ orthopaedic surgeons at MedStar Georgetown University Hospital, MedStar Washington Hospital Center, MedStar Montgomery Medical Center, MedStar Southern Maryland Hospital Center, and MedStar St. Mary's Hospital. He also serves as the Associate Residency Program Director for the Orthopaedic Surgery Residency at MedStar Georgetown University Hospital.

Dr. Henn graduated magna cum laude with honors in biochemistry from Brown University, where he was awarded the Susan Colver Rosenberger Senior Prize in Biology. He earned his medical degree from the Warren Alpert Medical School of Brown University and was inducted into the Alpha Omega Alpha Honor Medical Society. He was also awarded the Henry Thomas Randall Prize, given to the most outstanding medical graduate pursuing a surgical specialty. Dr. Henn completed his orthopaedic surgery residency at the Hospital for Special Surgery in New York City, where he was awarded the Jean C. McDaniel Award, which recognizes a graduating resident for professional skill, dedication to ethics, and commitment to resident education. Dr. Henn then completed the Orthopaedic Hand and Upper Extremity Fellowship at Washington University/Barnes Jewish Hospital in St. Louis, Missouri.

Dr. Henn has published several scientific articles and chapters and has presented his work at meetings of the American Academy of Orthopaedic Surgeons, American Orthopaedic Association, American Society for Surgery of the Hand, Japanese Society for Surgery of the Hand, Orthopaedic Research Society, Eastern Orthopaedic Association, and Pediatric Society of North America.
