ASSOCIATION

2025 PEAL FORUM
In Conjunction with the ARCOS Annual Conference
Nashville, TN
Thursday, February 13, 2025

For Assistant Program Directors, Residency and Fellowship Program Directors, Residency and Fellowship Program Coordinators, new and aspiring program directors

Theme: “Knowledge”

Learning Objectives:

By the end of this PEAL Forum, attendees will be able to:

- Describe ways to set up a didactic CORE curriculum
- Recognize the difference between teaching for the test and clinical experiential teaching
- Explain the ABOS and AOBOS board certification process.
