Dr. Arash Emami, MD, FAOA, is a leading orthopaedic spine surgeon and Chairman of the Department of Orthopaedic Surgery at St. Joseph's University Medical Center in Paterson, New Jersey. He is the Founder and CEO of University Spine Center, a high-volume, multi-site practice specializing in comprehensive spine care, and the Co-Founder of OrthoEast, a multidisciplinary musculoskeletal practice integrating academic medicine, research, education, and clinical care. Dr. Emami also serves as the Co-Director of the University Spine Center Spine Surgery Fellowship program.

Recognized as a Castle Connolly Top Doctor for over 20 consecutive years, Dr. Emami is known for his expertise in minimally invasive spine surgery, cervical and lumbar disc arthroplasty, and complex spinal disorders. He has helped advance modern spine care through innovative surgical techniques and a patient-centered approach. Throughout his career he has remained committed to advancing orthopaedic surgery through innovation, research, and the mentorship of future generations of surgeons.
