Dr. Abhishek Ganta is an Associate Professor of Orthopedic Trauma and Associate Residency Program Director for the Department of Orthopedic Surgery at NYU Langone Health, where he also serves as Co-Director of Orthopedic Trauma and Orthopedic Trauma Liaison at Jamaica Hospital Medical Center. His undergraduate and medical training were from the Combined Accelerated 7-year Medical Program at Boston University. He completed his orthopedic surgery residency at NYU Langone Health and his orthopedic trauma fellowship at Carolinas Medical Center-Atrium Health. He has received institutional recognition including the William L. Jaffe MD Teaching Award early in his career. He has authored over 130 peer-reviewed publications and is active within the AAOS and OTA and serves on committees in both. His clinical interests include peri-articular fractures with a specialized focus on nonunion, malunion, post-traumatic osteomyelitis, and limb salvage reconstruction.
